

LK Singhanian Public School

Dear Parents,

Great news! We are happy to announce that our school, **LK Singhanian Public School** is among the top schools chosen to participate in the 2023 National Young Authors' Fair - the world's largest global book writing contest for students.

This is a golden chance for our students to:

- Write, publish, and promote their own book and become young entrepreneur authors.
- Win awards and recognitions at various levels.
- Secure an ISBN for their book from the Ministry of Education.
- Grab prizes like MacBook Air, Kindle, Tablets, and Amazon vouchers.
- Get highlighted in major media outlets like Times of India, Disney International HD, NDTV, and Crossword.

Writing the book is made easy by the AI driven platform of BriBooks.com and participation is completely **FREE** for all students.
